

Dear

Mark
&
Staff

Wow - what a fabulous Job you + your staff did for us on Sat Eve April 9th you really surprised us when you unexpectantly had the Banquet Room all set up so nicely for us!, ~~and~~ As we celebrated my son's 30th Birthday your waitresses were wonderful + very attentive to our every need, we couldn't have asked for more!

And the Food... Always so delicious - How fortunate we feel, that we have such a top notch Restaurant so close to home, + owned by the most wonderful family "The Tinuccis" - may God Bless you with continued good buisness + provide for all your needs!

Thankyou again!
