TO WHOM IT MAY CONCERN:

As Catering Coordinator for Bremer Service Center, I am pleased to recommend Tinucci's Restaurant and Catering in Woodbury/Newport, MN.

Tinucci's has provided our catering needs for the past two years. In addition to catering business lunches and special events, Gus and staff serve lunch to 200 Bremer employees twice a week from 11:00 AM – 1:30 PM.

Both Gus and his staff are professional, reliable and pleasant. They are committed to provide the best product and service available while being punctual.

It is for these reasons that I offer my recommendation of Tinucci's Restaurant and Catering, for your dining/catering needs.
