

10: Dus 3 Tinucci Staff,

Just wanted to send you a big "Thank You" for making our Easter dinner a huge success! Every single thing in that meal far exceeded our expectations. We loved it all, it was very delicious. We know you probably added a little extra T.L.C. to it, since it was for Emma's family and we truly appreciate it. The cakes were a perfect dessert as we were also celebrating nine

family birthdays that day. Plus, the cake, like everything else, was exquisite. I can't pick a favorite from the meal - because it was all so good.

We have told many people in Amherst, Champlain, Cambridge and Plymouth about your wonderful restaurant, catering services Deli. I'm sure the word will spread. We, for sure, will be down to see you again. Many Thanks,

John & Dandy Steinberg & family
